

**Do you need immediate care?
Contact your Primary Care Provider (PCP) for a Same Day Visit!**

If your PCP is unavailable, consider an Urgent Care/Walk-in Clinic to save you time and money!

	Emergency Department Visit	Typical Walk-In Clinic	Potential Savings
Cost	\$1,200	\$150	\$1,050
Time	2+ hours	30 minutes	1.5 hours

Costs above represent average cost of care. Based on your insurance benefits, you may be responsible for 100% of above payment as part of your deductible. Copayment will almost always be higher for emergency department visits than for urgent care or physician office visits.

Urgent Care/Walk-In Clinic locations offer:

- Convenient hours, short wait times
- Lower out of pocket expenses
- After hours and weekend care
- Care coordination with your PCP
- X-ray, labs, pharmacy
- Pediatric specialists at some sites

You should go to an Urgent Care or Walk-In Clinic for:

- Colds, flu, ear aches, sore throats, migraines, fever or rashes
- Sprains, minor cuts and burns, minor eye injuries or minor back pains
